

Contemporary, sophisticated and stylish are all words used in the description of the **Enzo upholstery collection**. This stunning on trend range not only boasts good looks but comfort as well. Hidden beneath the sumptuous leather hides the pocket sprung seating and gentle padding for the neck and arm rests. Available in two delicious shades of grey, it is a perfect fit for modern interiors. Simply add bright bold cushions to give a pop of colour in a trendy grey scheme or blend with more subtle colours for a calm chilled out feel to your living space.
